For the avoidance of doubt, this clause shall not apply where the Claim in question is attributable to possession or use of the Services (or any part thereof) by you other than in accordance with the terms of this Appliance Agreement, use of the Services in combination with any hardware or software not supplied or specified by us if the infringement would have been avoided by the use of the Services not so combined, or use of a non-current release of the Software.

 - 8.5.1 as soon as reasonably practicable, giving written notice of the Claim to us, specifying the nature of the Claim in reasonable detail;

8.6 If any Claim is made, or in our reasonable opinion is likely to be made, against you, we may at our sole option and expense:

8.6.1 procure for you the right to continue to use the Software (or any part thereof) in accordance with the terms of this Appliance Agreement;

8.6.2 modify the Software so that it ceases to be infringing;

provided that if we modify or replace the Software, the modified or replacement Software must comply with the warranties contained in clause 9.1 and you shall have the same rights in respect thereof as you would have had under those clauses had the references to the date of this Appliance Agreement been references to the date on which such modification or replacement was made.

8.7 Notwithstanding any other provision in this Appliance Agreement, clause 8.4 shall not apply to the extent that any claim or action referred to in that clause arises directly or indirectly through the possession or use of any third-party software, including open source software, or through the breach of any third-party additional terms by you.

8.8 This clause 8 constitutes your exclusive remedy and our only liability in respect of Claims and, for the avoidance of doubt, is subject to clause 10.4.
